

Registration form for external participants in an experiment

The present registration is to be approved by the Team Leader of the Institute concerned.
Should the Team Leader subsequently inform CERN that the participation in the activities of the experiment of the person concerned has ended, the participation will be closed without notice.

This registration does not grant the person concerned access to CERN.

Please attach a readable copy of the passport / ID card of the person concerned.

A copy of the driver's license may be accepted for Australian, Canadian or US citizens who do not hold any other form of identification.

All fields marked with an asterisk (*) are required.
